## PROFESSIONAL SUMMARY

Results-oriented Web3 Marketer and Community Lead with extensive experience in Crypto, Gaming, and Real World Assets (RWA). Specialized in Community Strategy, Go-to-Market (GTM) execution, and user acquisition. Proven ability to scale communities rapidly, manage large ambassador programs, and lead high-impact global and regional events. Adept at bridging traditional industries with Web3 innovation through data-driven engagement, tokenomics design, and sustainable growth frameworks.

## PROFESSIONAL EXPERIENCE

### Chief Marketing Officer (CMO) & Partner | Starterras (RWA Project, HMR Group UAE)

Sep 2025 – Nov 2025

- Led end-to-end marketing and growth strategy for a Real World Asset initiative, aligning community vision with measurable business KPIs.
- Built and scaled the community from zero using structured Go-to-Market strategies focused on adoption and retention.
- Designed tokenomics, branding assets, and long-term growth frameworks to ensure ecosystem sustainability.
- Acted as strategic partner contributing to roadmap planning and high-level investor communications.

### Senior Community Moderator (Promoted) | Aethir

Dec 1, 2024 – Dec 2, 2025

- Led and coordinated a high-performance team of 22 Community Managers and 98 Ambassadors across multiple regions.
- Organized and hosted one of the first IRL Aethir community events in Pakistan with 41+ attendees.
- Hosted a high-impact AMA with the CEO of Saltwater Games and XR One, attracting 700+ live participants.
- Maintained strong global community sentiment through moderation, conflict resolution, and engagement initiatives.

### Founder | Nexus Marketing

Present

- Founded a Web3 marketing agency specializing in community growth, social engagement, and brand positioning.
- Built and managed a team of experienced Community Managers with backgrounds in IO.net, Aethir, and Magic Eden.
- Achieved rapid growth milestones including 1,000 community members in 4 hours and 0 to 1,000 social followers in 5 days through organic strategies.
- Converted passive audiences into high-engagement ecosystems using targeted social and community frameworks.

### Community Manager | Portals (Web3 Gaming Platform)

Sep 2025 – Nov 2025

- Managed the Portals Web3 gaming community with focus on retention, engagement, and player feedback.
- Organized interactive events, challenges, and Q&A sessions to increase daily active users.
- Implemented structured feedback loops between players and developers to influence the product roadmap.
- Improved long-term retention through gamification and engagement calendars.

#### **Community Manager** | *Boinkers (Acid Labs)*

Jan 15, 2025 – Apr 15, 2025

- Recruited, trained, and managed 40+ ambassadors, assigning tasks and tracking performance metrics.
- Provided technical support to thousands of users using Zammad integrated with Telegram.
- Increased Discord event participation and engagement by 10x through structured planning and promotion.

#### **Community Manager** | *Zeta Markets*

Dec 25, 2024 – Mar 31, 2025

- Increased event participation from 1–2 users to 25+ within one month using targeted activation campaigns.
- Hosted educational workshops and onboarding sessions for new users.
- Resolved user issues efficiently through clear communication and technical support.

#### **Community Moderator** | *Aethir*

Oct 1, 2024 – Nov 30, 2024

- Independently organized and executed a 10-day A-GAMES tournament with 350 participants.
- Hosted multiple Web3 AMAs including a DePIN panel with 400+ live attendees.
- Led and coordinated a regional ambassador team of 9 members.
- Received official recognition from leadership for exceptional performance.

#### **Community Manager** | *Phoenix Growth*

Sep 21, 2024 – Present

- Managed Web3 communities for high-profile projects with focus on engagement metrics and sustainable growth.
- Oversaw daily operations across Discord and Telegram to maintain positive sentiment.
- Supported broader marketing initiatives through grassroots community development.

#### **Community Manager** | *Sophon Community*

Sep 15, 2024 – Oct 31, 2024

- Managed global and regional communities, delivering localized content strategies.
- Onboarded and supported new members through structured guidance.

#### **Aethir Ambassador → Manager** | *Aethir*

Aug 2024 – Sep 30, 2024

- Hosted and streamed Aethir Games Con Extravaganza including CS2, Valorant, and Nifty Island.
- Commentated live tournaments and enforced spam control to improve chat quality.

## **KEY ACHIEVEMENTS**

- Hosted a 700+ attendee AMA and organized multiple large-scale Web3 tournaments.
- Scaled new communities from zero to 1,000 members within hours.
- Built and led teams of over 100 community managers and ambassadors.
